- Option 1: monthly after school grade 4-6 sporting events (Wed. 3:30 – 4:30) running from October – April (minus December). Would be family events with students competing against parents or older siblings. This also coincides with FCSS grade 1-3 events.
- Option 2: Anne would organize teams (grade 4-6) to go to interschool tournaments (up to 4). This would require busing which would require the NSES to help pay for the cost.
- Mom's Pantry
 - Our magazine sales company that we have used in the past has gone out of business. We now need another fund raising option and we would like parental input on going with Mom's Pantry.
 - There are 3 options – we think Classic would be best
 - This would be for grades 4-6
 - Money raised goes into the student council account which pays for things like yearbooks (more on this below), student council prizes for spirit days, and a portion of the grade 6 trip
- Yearbook
 - We need 1-3 parent volunteers to put together our yearbook
 - In the past this was put together by Mrs. Rollheiser. However, with our reduction in staff we don't have someone to do this.
 - Uses Picaboo software – very easy to use
 - Volunteer would have divisional login and all pictures would be taken by us and stored in a shared drive
 - Would need to start in January and require maybe 1 day a month at the school
